#### "FTA" - Farmer's Table Approved

We do our best every day to consciously source the cleanest ingredients for our guests. Where ever you see

"Farmer's Table Approved" (FTA) on our menu, it means we carefully sourced that item to be of the highest quality available.

We proudly serve grass-fed and grass-finished beef; antibiotic-, hormone- and steroid-free chicken, chemical-free shrimp, and sustainable seafood. We support local farms for fresh produce when available and harvest produce from our own organic garden. We strictly adhere to the Environmental Working Group's Dirty Dozen Food philosophy, sourcing only organic products for their recommended fruits and vegetables. Ask your server for more information.

Some items may be served raw or undercooked. Consuming raw or undercooked meats, poultry, seafood, shellfish, or eggs may increase your risk of foodborne illness, especially if you have certain medical conditions. Your meal may contain traces of flour as we are not a gluten-free facility.
